all done Sept 20<sup>th</sup> S P

first part light air & calm young  
is started steaming full speed 8 AM anchored  
at sandspit of Bathurst 2-30 PM got the  
logs from shore 4-30 PM took anchor  
steaming full speed for the sandspit SW  
end of Bailey island light wind SW  
anchored there 8 PM Bombed Starboard  
anchors each Sophia Southland leaking  
me

Thurs Sept 21<sup>st</sup> X

fresh breeze W clear 3 & 4 mates all of sailors  
& boatmen except 1<sup>st</sup> & 2<sup>d</sup> mates boats crew  
making coal out of Sophia Southlands  
hulk putting it on the beach & ch  
leaking some let go out of cabbage cys  
filled at hog 187 lbs

Fri Sept 22<sup>d</sup> H

light breeze W light fog & snow  
equally landing coal out of sch  
brought out box of bacon & strong & pipe  
let out some natives for deer hunting

Sun Sept 23<sup>d</sup>

light air SW cloudy fitted out landmarks  
Piza & collagabuth tip go deer hunting  
afternoon played ball on the sandspit

Thurs Beluga Capt Bodfish Apr 1900  
Mon Sept 24<sup>th</sup>

light air from NW to SE clear all hands  
ballasting sck but 1<sup>st</sup> & 2<sup>d</sup> men boats crews  
busy washing ship rigging up stores Ben had  
hosing the 3 barrels sent 4 boats over to  
sand spit & Cape Bathurst

Tues Sept 25<sup>th</sup>

Blowing heavy from SE clear. worked in  
the morning putting ballast in sck Sophia  
Sutherland too rough couldn't work in afternoon

Wed Sept 26<sup>th</sup>

gale from NW of sand spit Lancha down  
Sophia Sutherland on beam ends on the beach  
all left her. broke out meat

Thurs Sept 27<sup>th</sup>

Strong breeze SE clear couldn't get near enough the  
sck to try to haul her off water too shallow filled in since  
the last year sck laying down so the matches are in  
water ship too much in 3 fathoms water put on boats  
on shore & rolled them overboard them in

Fri Sept 28<sup>th</sup>

Light breeze from NW light fog cloudy some rain  
for sck stayed a very little more as far as beams of  
little water hauled on hawser, & here on the anchor  
couldn't start her. hauled on one more cutting guys  
& 3 all other general work about ship. not so  
much going as yesterday

X Sat Sept 29<sup>th</sup>

strong breeze from NW cloudy hauled on  
sck are now give it up felt bone when  
hauled out cask of water 1 boat & dunks of sck

Sun Sept 30<sup>th</sup>

fresh breeze NW clear & cloudy got on boat for

Mon Oct 1<sup>st</sup>

backing out & strong back lower hold to make  
more water out fresh water. laying in 3 to 3 1/2 fms  
water 1 1/2 fathoms less than last year  
make sck with cold brathades took this water

Three Oct, 2d

breaking out & stoving back lower hold  
burst pipe that leads to windlass fixed it

Wed Oct 3<sup>d</sup>

all hands employed landing off and on meat &  
other stuff

Thurs Oct 4<sup>th</sup>

Fri Oct 5<sup>th</sup>

light wind eastward. I gang sitting in small pond  
below ice house. not working deck house

Sun Oct 7<sup>th</sup>

Mon Oct 8<sup>th</sup>

Tues Oct 9. 1871

light breeze from N.W. to N.E. heavy on overhead  
house mate began standing watch broke out  
the last fresh water 14 lbs.

4-B Wed Oct 10<sup>th</sup> Cochran  
right air from St + alum took up port anchor  
but it on cathead run starboard chain below.

ned ship part way round in position for winter  
 but his out head & steam main deck  
 house about finished. Liza house over the wheel  
 house got 4 loads of ice from Bowhead  
 land couldn't get to ours. Boatsteerer named Harry  
 Baker standing the watch. Capt Hoffman came  
 over from St Bathurst sand ship.

Stm Beluga Capt Bodfish Apr 190  
Thurs Oct 11

light air W. got 4 loads of ice all hands  
employed in general work about ship  
hanging in & other work killed 2 hogs  
4 pigs & some mutton cut some dog meat  
over hogs 202 & 207 the fri Oct 12<sup>th</sup>

light wind N E light snow squalls  
got 4 loads of ice all hands employed  
in general work finished after house  
ran put cable below sent down fish tackle  
sent cutting stage ashore put coal oil  
drums on end tap down on shore  
Sat Oct 13<sup>th</sup>

calm & clear got 2 loads of ice from pond  
& 2 from ground ice put up deck & cabin  
store 3 PM started fire in deep stove to  
melt ice. unrigged the wheel in  
wheel house. Petersen & Jorgenson  
sick & have been for some time Petersen  
not so well to day.

Sun Oct 14<sup>th</sup>  
Clear & fine Blowed down the river 5 PM  
Mon Oct 15<sup>th</sup>

light breeze S E. gang cutting ice  
and getting building house ashore.  
Jm Capt. Murry & one native to  
live in put carpenter forward  
couldn't do anything at all at his  
work. got town I. Shumley from  
Penelope to do some work for us.  
Tues Oct 16<sup>th</sup>

brought stuff from sch on board gang  
building house ashore. got 1 load of  
ice from ice pond 1 sw 7 pigs  
putting sch stuff down below & other  
general work about ship put up  
storage stove. 1 hog died.  
Wed Oct 17<sup>th</sup>

Light air N E clear. gang working on house  
ashore got load of ice from pond thrasher died  
about 6 AM put him in coffin & out on land  
also other general work about ship  
blacksmithing & carpentering  
cut at stem hole

Thurs Beluga Capt Boggett Apr 1900  
 Thurs Oct 18

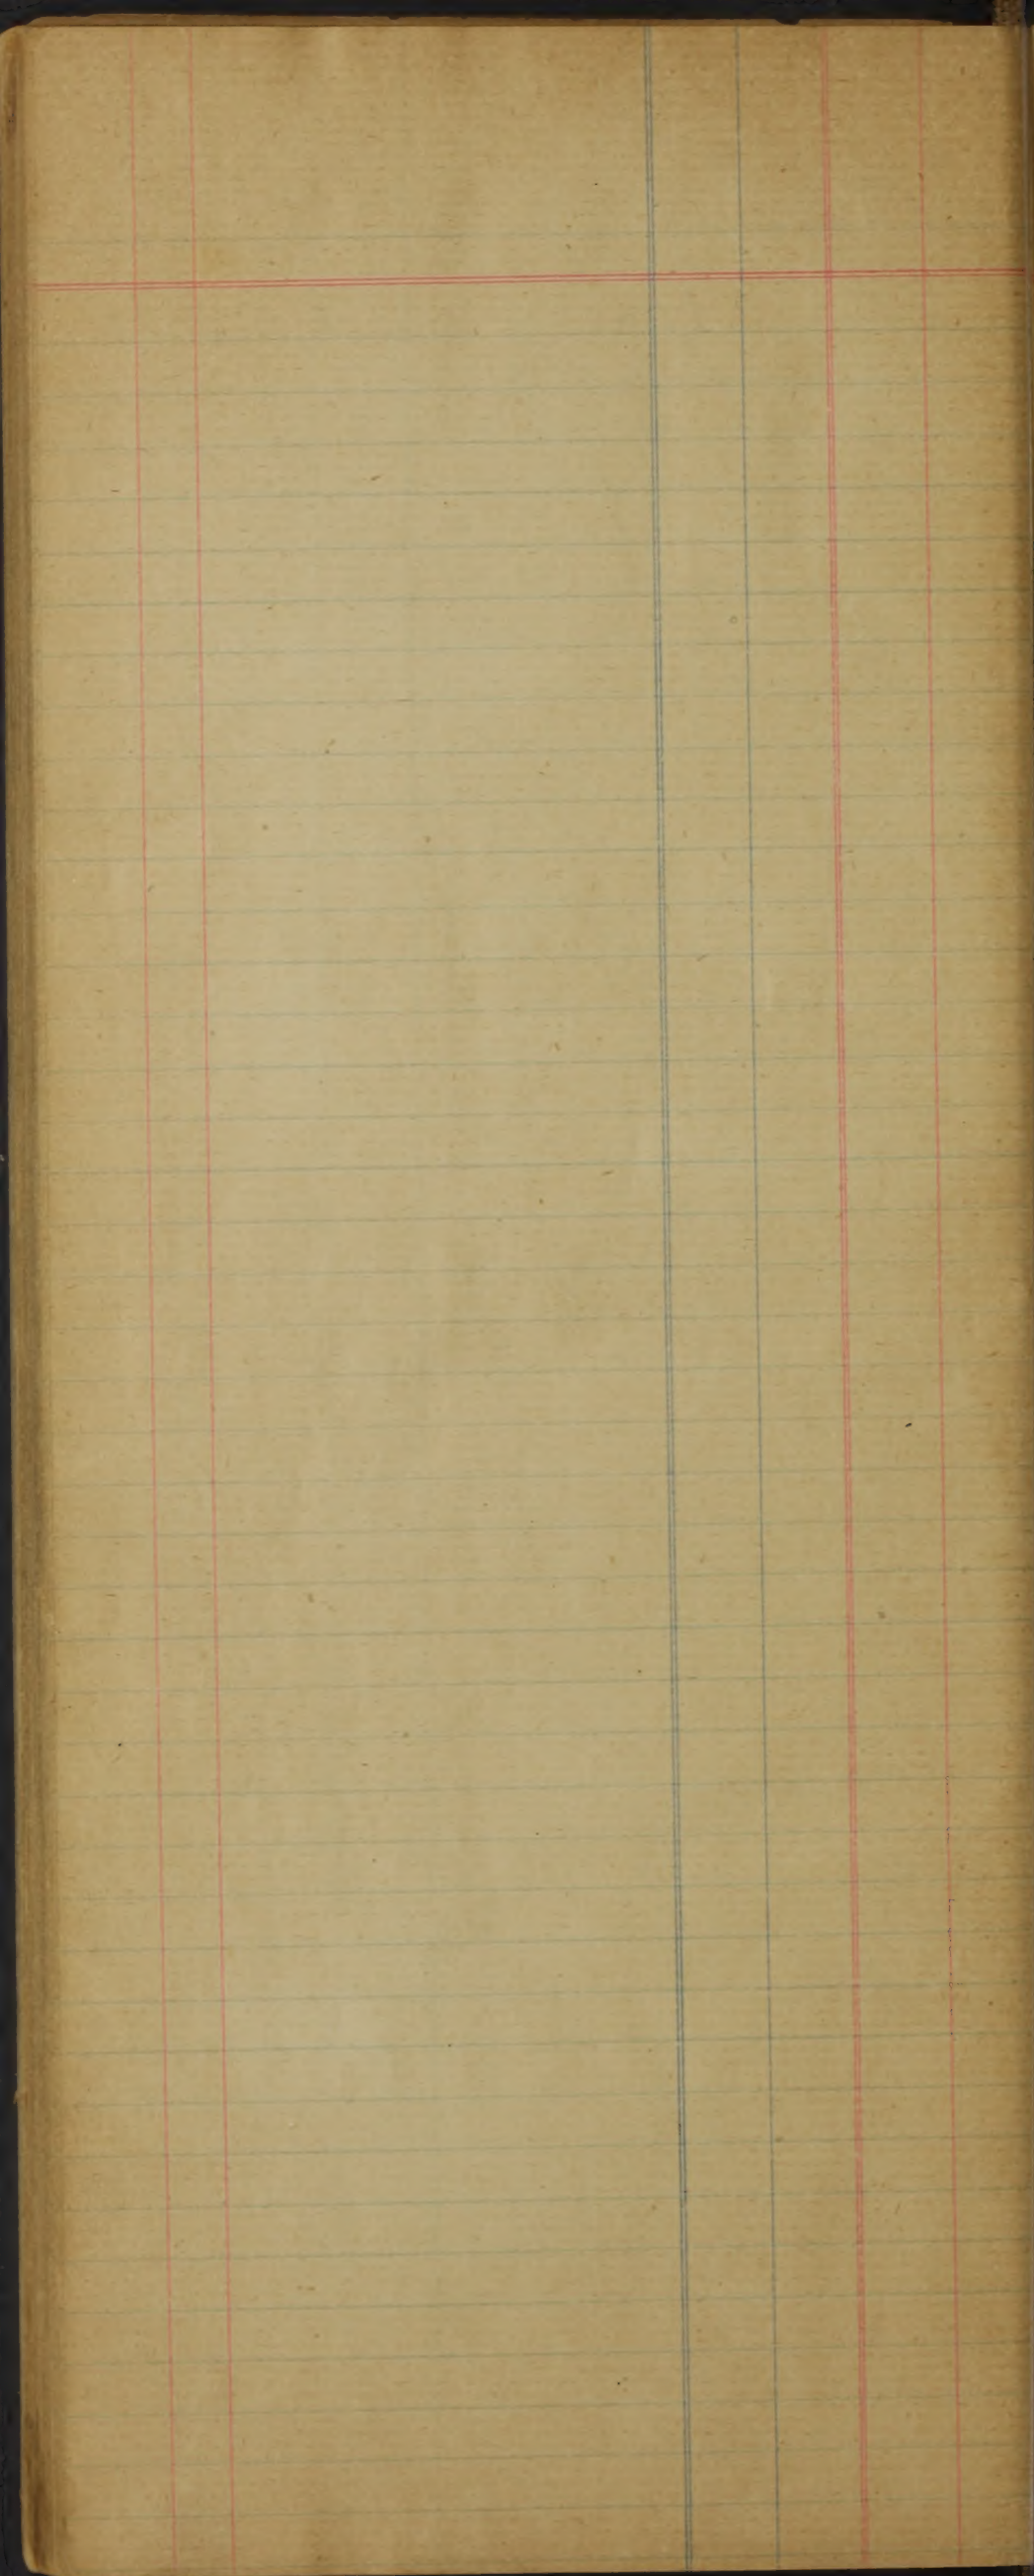

above finished house ashore Capt Muri  
 one part natives in the net  
 anding dog meat got 2 heads of in

Fri 19 Oct  
 blowing strong At 6 with strong  
 backing out stowing gun hold between  
 at some hairer of this house to dry  
 rigged up bath room then  
 general work about ship

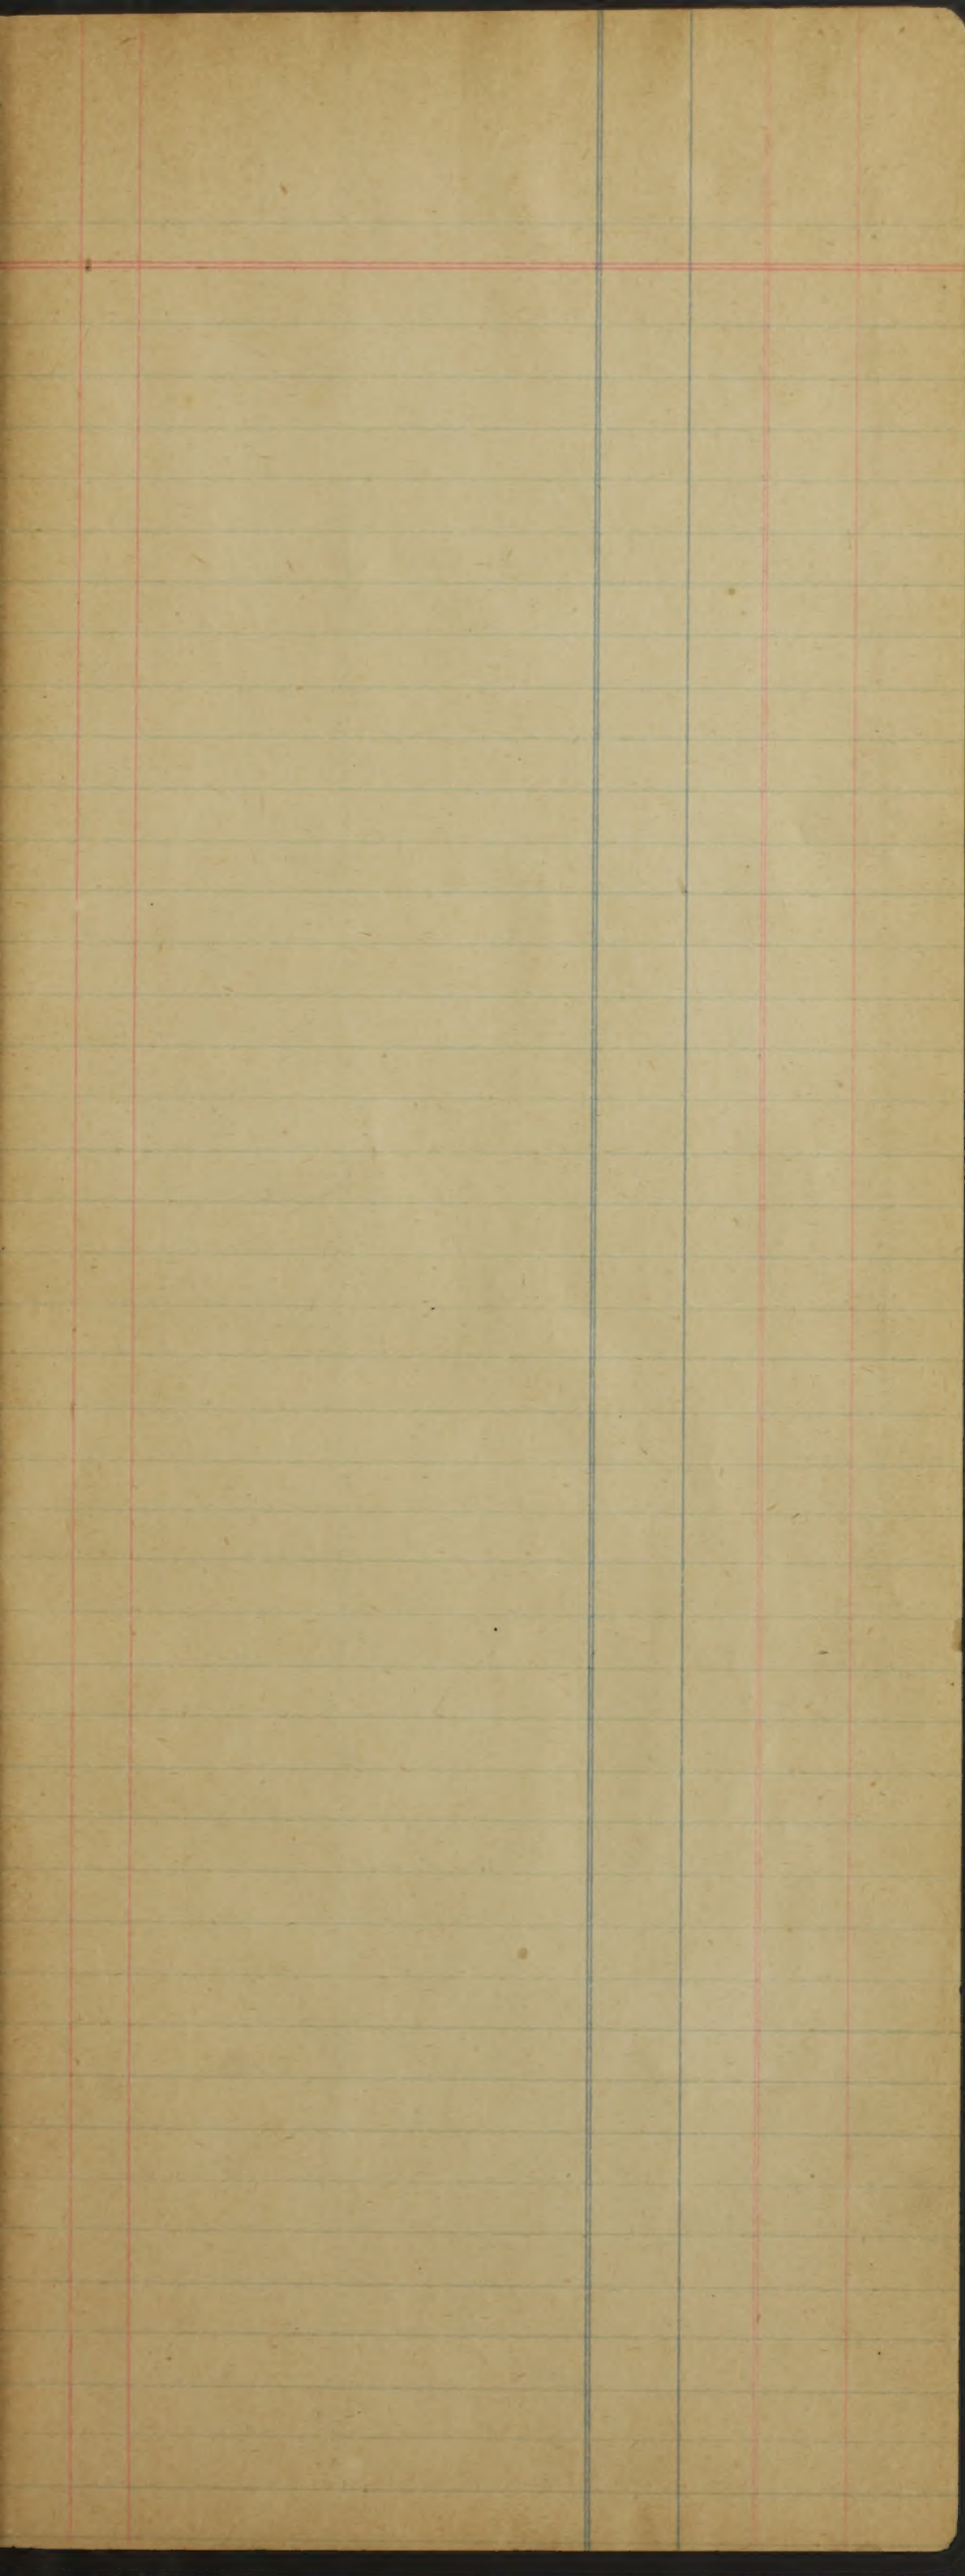

Sat Oct 20th  
 fight breeze At 9 put in on sky high  
 general work about ship
